PINOTAGE BEYERSKLOOF

Vintage 2025

Classic, affordable Pinotage from Beyerskloof, specialists in showcasing South Africa's most popular varietal.

TASTING NOTE

Strong red berry and plum favours with elegant tannins. Well-balanced, medium-bodied wine with a fresh finish.

VINTAGE CONDITIONS

Harvest began on 11 February with Pinotage, making it a very late harvest compared to previous years. Harvest then continued around the clock with the last Cabernet Sauvignon grapes brought in on 17 March. Volumes are up compared to 2024, although still 9% below the long-term average. Good winter rainfall, favourable growing conditions, and moderate temperatures, especially the cool nights during harvest, resulted in red wines with good acidity, deep colour, and structured tannins.

VINIFICATION DETAILS

The wine process follows a system of skin contact and fermentation in open fermenters, roto tanks, and fermentomatics, then 6 to 8 days on skins at 25°C. After malolactic fermentation, the wine was treated with oak.
