

## HANEPOOT JERIPIGO, DARLING CELLARS

Vintage

Non vintage

A delicious fortified dessert style wine from Darling Cellars made with the Muscat grape, otherwise known as 'Hanepoot' in South Africa

### TASTING NOTE

Beautifully fragrant Muscat flavours fill the glass together with honeysuckle notes; and luscious citrus and ripe yellow peach flavours; sweetness well balanced with lively acidity for along and fruity aftertaste. A delicious fortified dessert wine.

### VINIFICATION DETAILS

The bunches are destalked and crushed. After 24 hours skin contact at 7°C, with continuous pump overs to extract maximum flavours the juice was drained from the static separators, settled and then fortified with wine spirits.

### TECHNICAL ANALYSIS

Alcohol      Residual sugar

16.9              181

pH              Acidity

3.56              4.35
