

# COULTHARD CABERNET SAUVIGNON, BREMERTON

Vintage

2016

Rebecca and Lucy's maternal grandmother's maiden name, Coulthard remembers their ancestors who arrived in South Australia from England aboard The HMS Buffalo in 1836.

## TASTING NOTE

This wine shows the pure varietal expression of Langhorne Creek Cabernet, one of the original red varietals that established the region. It displays a classic ripe cassis aroma with supportive savoury notes. A well-balanced palate showing ripe dark fruits is enhanced by a silky textural finish.

## VINIFICATION DETAILS

Individual Cabernet parcels were fermented separately in small open fermenters to allow excellent extraction of colour and flavour. Each batch was matured in a combination of new and older French and American oak barriques for 18 months.

## GREEN CREDENTIALS

Member of Sustainable Winegrowing Australia. Bremerton aims to be at the forefront of dealing with environmental issues within the wine industry and implements best practice principles on a wide range of environmental concerns including: caring for native wildlife, recycling winery waste products, water conservation policies, minimising pesticides and the use of sulphur, and working towards neutralisation of their carbon footprint.
