

COULTHARD CABERNET SAUVIGNON, BREMERTON

Vintage

2012

Rebecca and Lucy's maternal grandmother's maiden name, Coulthard remembers their ancestors who arrived in South Australia from England aboard The HMS Buffalo in 1836.

TASTING NOTE

This wine shows the pure varietal expression of Langhorne Creek Cabernet, one of the original red varietals that established the region. It displays a classic ripe cassis aroma with supportive savoury notes. A well-balanced palate showing ripe dark fruits is enhanced by a silky textural finish.

VINIFICATION DETAILS

Individual Cabernet parcels were fermented separately in small open fermenters to allow excellent extraction of colour and flavour. Each batch was matured in a combination of new and older French and American oak barriques for 18 months. The best individual parcels and barrels were selected to create the Coulthard Cabernet Sauvignon.

GREEN CREDENTIALS

Member of Sustainable Winegrowing Australia. Bremerton aims to be at the forefront of dealing with environmental issues within the wine industry and implements best practice principles on a wide range of environmental concerns including: caring for native wildlife, recycling winery waste products, water conservation policies, minimising pesticides and the use of sulphur, and working towards neutralisation of their carbon footprint.
