

Sangiovese was pioneered in Australia by Coriole Vineyards with the first plantings in 1985, now some of the oldest in the country.

TASTING NOTE

The nose is bright and pronounced showing an alluring mix of red cherry and floral rose, along with a sweet thyme flower lift. The palate is medium bodied with great depth of flavour showing more cherry, raspberry and mixed spice. Fine but firm tannins give the palate great persistence and drive.

VINIFICATION DETAILS

So well suited to the McLaren Vale region and over 40 years of experimenting with sites, clones and rootstocks has led to this Sangiovese being an Australian benchmark. Harvested from 12 blocks across Coriole's four McLaren Vale vineyards; the blending is done in the vineyard to create the optimum expression of McLaren Vale Sangiovese.
