ATTRIBUTES

The fruit for Trentham Estate's Pinot Noir is picked from their best vineyard: the grapes ripened slowly and evenly to result in great fruit quality.

TASTING NOTE

Cherry red with plum and spice aromas, berry fruit flavours with subtle French oak and a soft silky finish.

VINTAGE CONDITIONS

Warm, dry weather during the 2018 harvest restricted crop levels and helped to produce exceptional fruit quality with plenty of aromatics and flavour. Lower rain levels during the growing season translated into smaller berries packing their punch, making Trentham's winemakers very happy!

VINIFICATION DETAILS

The grapes were de-stemmed and pumped through a chiller into the fermentation vessel at 5°C and cold soaked for 36 hours before yeast was added, in order to increase the red berry characters in the wine. After the addition of yeast, the wine was fermented on skins for five days before pressing out. A portion of the wine was matured in French oak before blending and bottling.
