THE FAMILY NEBBIOLO, TRENTHAM ESTATE

Vintage 2021

Trentham Estate's 'The Family' range of wines are from estate-grown Italian varieties and celebrate their Italian heritage's influence on grape growing and winemaking.

TASTING NOTE

A lighter red with complex aromas of spice, dried herbs and berry fruits. On the palate fruit flavours of blackberry and plum are with complex spice and earthy characters. Ripe tannins provide good length and balance with lovely soft oak to finish.

VINTAGE CONDITIONS

2021 has been one of the best vintages we have had – if not the best; with very mild weather, little rain and average to good crops. Fruit flavours were outstanding with wines producing distinctive varietal characters with great balance. A very exciting harvest.

VINIFICATION DETAILS

The grapes were crushed, de-stemmed and transferred into tank, and inoculated with yeast before an eight-day fermentation period with regular pump overs to maintain a consistent temperature and to aid colour and tannin extraction from the skins. After pressing, a portion of the wine was matured in French oak barrels. The wine was then blended and clarified before being bottled.
