STANLEY ESTATES

Stanley Estate's Sauvignon is a 100% Sauvignon Blanc, single vineyard wine from the family vineyard in the Awatere Valley, Marlborough.

TASTING NOTE

This vintage shows a mineral purity with delightful aromas of citrus, herbaceous greens and lemongrass. The palate shows rock melon with a long and crisp finish.

VINTAGE CONDITIONS

The growing season was early and dry with smaller, more concentrated berries, packed with lots of flavour.

VINIFICATION DETAILS

The grapes were machine harvested and pressed, with the juice settled and then racked to stainless steel tanks. The juice was inoculated with two different yeasts and went through a controlled cool fermentation. The wine spent a little time on lees post ferment, and was then stabilised and cross flow filtered before being prepared for bottling.
