

SAUVIGNON BLANC, STANLEY ESTATES

Vintage

2020

Stanley Estate's Sauvignon is a 100% Sauvignon Blanc, single vineyard wine from the family vineyard in the Awatere Valley, Marlborough.

TASTING NOTE

Stanley Sauvignon Blanc 2020 is a very aromatic wine, fruit-driven but technically dry. It shows a mineral purity with herbaceous, lime, gooseberry and green capsicum flavours. It has a beautifully balanced palate.

VINIFICATION DETAILS

After a gentle pressing, the juice was settled and racked to stainless steel tanks, where it went through a controlled fermentation using French yeasts. The wine then spent a good time on lees to add a real depth of flavour and palate weight to the wine. The wine was cross flow filtered and prepared for bottling under screwcap to maintain freshness and quality.
