

ESTATE RESERVE CHARDONNAY, GLENELLY

Vintage

2021

Formerly known as Grand Vin Chardonnay, Glenelly's Estate Reserve is from vines planted in 2007, made in a complex mineral style with notes from barrel ageing.

TASTING NOTE

The Estate Reserve Chardonnay displays a bright crisp colour, a complex nose of quince, citrus peel, lime and butterscotch caramel with hints of pear drop. The palate is lush, with poise and balance, sharp and vibrant citrus and mineral flavours leading the way to a long round textured finish.

VINTAGE CONDITIONS

Post 2020 harvest was dry and hot which led to early leaf fall. As a result, there was a poor establishment of carbohydrate reserves. Rain came later than anticipated at the end of May and delayed the establishment of crop cover. Winter was very wet, although not cold, but cold enough for dormancy to take place. Bud break occurred 14 days late due to cold wet soils and fluctuation in climate. Moderate weather later on led to ideal flowering and fruit set. Big lush canopies developed as a result of moist soils. Veraison and ripening were also delayed by 14 days and took longer to finish their cycles due to moderate conditions.
