

**CHENIN BLANC, INDABA**

Vintage

**2020**

A commitment to social responsibility is integral to the Indaba philosophy, and a portion of the sales supports early education for workers' children.

**TASTING NOTE**

Chenin Blanc is South Africa's most widely planted varietal and the Cape's signature white. A crisp and easy drinking chenin blanc, this bottle is a refreshing essence vibrantly infused with flavours of honeyed pear, golden delicious apple, and luscious tropical fruit.

**VINTAGE CONDITIONS**

The 2020 harvest period was characterized by typical dry conditions and moderate temperatures. Carry-over effects from the heat during spring and effective canopies promoted ripening in the early cultivars and were therefore harvested much earlier. Sustained, moderate temperatures occurred until the end of March and resulted in effective plant functioning and full maturity in late cultivars.

**VINIFICATION DETAILS**

The grapes were picked in the cool early morning hours, de-stemmed, crushed and gently pressed. The juice settled overnight and was then cold fermented in stainless steel tanks over a period of approximately three weeks. The wine was aged on its lees in tank for five months, with occasional lees stirring. A small portion (8%) was whole bunch pressed straight to 300 litre French oak barrels, where it fermented naturally. It was aged on the lees for five months for enhanced richness and texture on the palate.
