

## STEYTLER VISION, KAAPZICHT

Vintage

2021

The Steytler Range is the culmination of Kaapzicht's best wines in exceptional vintages only, forged by tradition and four generations of Steytler passion.

### TASTING NOTE

Power & concentration, within a tightly woven structure showing lots of promise. Generous cassis and black berries as well as vanilla and spice from oak. Complex & multi dimensional. Those who can resist the temptation will be rewarded well with cellaring. A blend of Pinotage 56% Cabernet Sauvignon 39% and Merlot 5%

### VINIFICATION DETAILS

These individual varieties are aged and vinified separately before blending and bottling. The grapes are individually inoculated with a biodynamic yeast culture, and fermented on skins until dry. After malolactic conversion, the wine is transferred to barrels for ageing. After 20 months in barrel, the blend is carefully selected and bottled under inert conditions.
