

CABERNET SAUVIGNON, BIRD IN HAND

Vintage

2020

The Bird in Hand signature range is a limited release of premium quality wines created from the best parcels of fruit from every vintage.

TASTING NOTE

This intensely complex Cabernet displays perfumed aromas of violet, blackcurrant and dried tobacco with subtle spiced coffee. On the palate, cranberry and fleshy blackberry with sweet fennel spice complemented by nuanced and well-integrated oak characters. Full bodied and tightly structured in its youth, the mid-palate has generous weight and depth, all framed by supple tannins.

VINTAGE CONDITIONS

The 2020 growing season started on the back of average winter rainfall and dryer than average spring in the Adelaide Hills. Summer was mild with some decent rain events beneficial for freshening vine canopies and filling out bunches. The remainder of the ripening period through Autumn was favourable, with night-time temperatures remaining cool, daytime temperatures mild. This enabled a long, slow and even ripening, helped grapes retain good natural acidity and ensured they could be picked at the optimal time for flavour and style.
