

PECAN STREAM PEBBLE HILL RED BLEND, WATERFORD ESTATE

Vintage

2020

A unique blend in its class with the addition of Italian and Spanish varietals - predominantly Shiraz supported by Mourvèdre, Tempranillo, Sangiovese and Merlot.

TASTING NOTE

A unique blend in its class, with the use of Italian and Spanish varietals. Predominantly Shiraz lead, the wine shows off forward fruit aromatics of violet, cherries and liquorice accompanied by notes of a classical spicy cigar box. The palate expresses an abundant dark red fruit and velvety texture with a classic tannin structure, finishing with balanced natural acidity. Shiraz (23%), Mourvedre (21%), Cabernet Franc (12%), Cabernet Sauvignon (11%), Petit Verdot (8%), Grenache (8%), Malbec (6%), Sangiovese (6%), Tempranillo (5%)

VINTAGE CONDITIONS

Good winter rains but still below the normal average. Odd warm days during winter but some snowfall during late winter/early spring, along with some rain helped dam levels rise. These conditions also prepared for a good, even budding to start the growing season. During ripening the odd heat wave was experienced but overall lovely warm days and cooler nights allowed for perfect ripening and earlier picking dates. This resulting in lovely, fresh, flavoured rich wines.
