

MOUNT BARKER RIESLING, CAPEL VALE

Vintage

2020

CAPEL VALE

The Whispering Hill Vineyard in Mount Barker provides perfect growing conditions for Riesling. The vines, overlooking the Porongurup Mount Ranges to the north east are over thirty years old and produce fruit of great intensity & complexity.

TASTING NOTE

Orange blossom, lemon curd and elderflower on the nose. A rich palate with wet river stone notes and rock salt acidity.

VINTAGE CONDITIONS

The 2020 vintage at Capel Vale Wines was a tremendous vintage resulting in lower yields with exceptional quality fruit, high flavour concentration and good natural acidity.

VINIFICATION DETAILS

Neutral yeast is used for fermentation in stainless tanks. To retain freshness, the wine is fined, filtered and bottled as soon as possible post ferment.
