KIRRIHILL

RIESLING, REGIONAL SERIES, KIRRIHILL

Vintage 2025

Part of the Kirrihill 'Regional Series', characteristic of the region, fruit driven, soft and approachable wines.

TASTING NOTE

The 2025 estate grown Regional Riesling shows a bright and intense bouquet of citrus and orange blossoms, with a generous mouthfeel and flavours which offer a vibrant explosion of lemon and tropical fruit.

VINTAGE CONDITIONS

2025 was a dry season with the majority of the growing season seeing below average rainfall, while hot conditions produced low crops with intense flavour. Good vineyard management during these times has prevailed, with good quality fruit having now produced wines with exceptional flavour.

VINIFICATION DETAILS

With the Riesling grapes picked in the early morning, when the temperatures are at their coolest, crushing and pressing of the chilled fruit occurred immediately with the aim of limiting any skin contact. After cold settling, the clean racked juice was then fermented in temperature controlled stainless steel tanks. It was then chilled immediately after fermentation to retain and protect the varietal aromas to remain pristine until bottling early April 2025

TECHNICAL ANALYSIS

Alcohol
10.3

pH	Acidity
2.9	8.4
