KIRRIHILL

RIESLING, REGIONAL SERIES, KIRRIHILL

Vintage 2024

Part of the Kirrihill 'Regional Series', characteristic of the region, fruit driven, soft and approachable wines.

TASTING NOTE

The 2024 estate grown Regional Riesling shows a bright and intense bouquet of citrus and orange blossoms, with a generous mouthfeel and flavours which offer a vibrant explosion of lemon and tropical fruit.

VINTAGE CONDITIONS

Good winter rains were followed by a cool spring and a well above average warm and dry summer which enabled the Riesling fruit to ripen in a consistent manner and express well developed and expressive flavour profiles.

VINIFICATION DETAILS

With the Riesling grapes picked in the early morning, when the temperatures are at their coolest, crushing and pressing of the chilled fruit occurred immediately with the aim of limiting any skin contact. After cold settling, the clean racked juice was then fermented in temperature controlled stainless steel tanks. It was then chilled immediately after fermentation to retain and protect the varietal aromas to remain pristine until bottling early August 2024.

TECHNICAL ANALYSIS

Alcohol
11.5

pH	Acidity
3.00	7.2
