

## ANTIGO (BORDEAUX BLEND), WATERFORD ESTATE

Vintage

2020

The Waterford Antigo takes its name from the colour of the soils in which this specific Cabernet Vineyard is planted and makes up majority of the blend.

### TASTING NOTE

The red clay, rich soils bring softer and plush elegant fruit to the aromatics. They also create tannins which are richer softer and sweeter to the other reds from the Waterford Estate. This blend consists of 79% Cabernet Sauvignon, 17% Merlot and 4% Cabernet Franc

### VINTAGE CONDITIONS

Good winter rains but below the average and a few warm days during winter. Then snowfall during late winter / early spring along with some rain helped dam levels rise. Good conditions for even budding to start the growing season. During ripening the occasional heat wave was experienced but overall lovely warm days and coolish nights allowed for perfect ripening and early picking dates, creating fresh, flavoured and rich wines with relatively low alcohol levels

### TECHNICAL ANALYSIS

Alcohol

13.1

Residual sugar

2.4

pH

3.60

Acidity

5.3

### VINIFICATION DETAILS

The blend spent 20 months in 225L French oak barrels
